KLEINWALSERTAL TOURS

BIKING ROUTE THROUGH THE BÄRGUNTTAL

EASY MOUNTAINBIKE

TOUR DESCRIPTION

The Bärgunttal offers e-bikers and mountain bikers a nice circular route with several opportunities to stop. From Baad, it goes past the Outer and Inner Widdersteinalpe towards the Bärgunthütte. Right at the start of the bike route at the foot of the Widderstein to the Inner Widdersteinalpe there is a somewhat steeper ascent, then the route continues with a moderate incline and short descents up to the Bärgunthütte. From the Bärgunthütte, a consistent, moderate downhill follows downhill on a wide alpine path.
