FIND THE HASPELWALDMÄNDLE

MEDIUM THEMED TRAIL

TOUR DESCRIPTION

On this themed hike, families with children from 4 years old search for the Haspelwaldmändle, which hides in the forest area of the same name below the Walmendingerhorn. On the way to find the Haspelwaldmändle, 6 information signs with exciting information about the forest and its animal inhabitants are passed. Using this information on the hiking trail, the puzzle at the end of the hike at the Bühlalpe can also be easily solved.
The experience hike leads from Mittelberg past the Maisäß lift and along the Stützeweg. Shortly before the hamlet of Erlenboden is the first information sign. From there up the winding asphalt path and on the Haspelwaldweg. Before entering the forest, the third information sign stands. Through the forest area and across a clearing past several stations to the Gasthof Bühlalpe. Those who can solve the puzzle about the Haspelwaldmändle will find a little surprise here.
