KLEINWALSERTAL TOURS

BÄRGUNT TRAIL

MEDIUM TRAILRUNNING

TOUR DESCRIPTION

From the Baad bus stop, a wide trail gently ascends along the Bärgunt stream up to the managed Bärgunt hut. From there, on the other side of the stream at the foot of the Widderstein, the route continues with a moderate downhill, with occasional short ascents, to the Widderstein alpine pasture. Here, the approximately 5 km long, technically easy route branches off back onto the already known path and leads back to Baad.
